

Bandita Swain

Assistant Professor

Area: Microbiology

Affiliation: Trident School of Biotech Sciences

Tel: 9437315290

E-mail: bandita2004@gmail.com

Year of Joining: September 2006

Education

M.Sc	Biotechnology / Medical Microbiology	Utkal University- 2006
B.Sc	Zoology	Utkal University- 2004

Other details

- Attended State level workshop on “Biotechnology- A New Frontier of Life Sciences” at Trident School of Biotechnology, 2006.
- Attended “National workshop on Biotechnology and its application” at SOA University, 2008.

Academic Experience

- Worked as Assistant Professor with Department of Biotechnology, TACT, Bhubaneswar, Odisha from September 2006.

Research Focus

To determine the antimicrobial susceptibility pattern of bacterial isolates from different environments.

Publications

- Sarang A, Jena S, Sarangi AK, Swain B (2013): Anti-Diabetic effects Of Withania somnifera root and leaf extracts on Streptozotocin induced diabetic rats, Journal of Cell and Tissue Research 13(1), 3597-3601

Motivational note

Change is like a wave. We cannot hold it back. By trying to resist it, we get pulled under. So instead of fighting it, go with it and be open to the good things it can bring.
