

Priyadarshini Mohapatra, M.Sc.

School of Biotech Sciences, Trident Academy of
Creative Technology
Area: Microbiology

Mob: 8917529935

Email: mohapatra.priyadarshini777@gmail.com

Education

M.Sc.	Microbiology	OUAT, 2011
B.Sc.	Microbiology	College of Basic Science and Humanities, Bhubaneswar, Orissa, 2009

Other details

- ✚ Submitted a project review on “**LIFE CYCLE OF HONEY BEE**” during my graduation period.
- ✚ Submitted a dissertation Effect of elevated carbon dioxide and temperature on microbial population dynamics and carbon pools in tropical flooded soil planted to rice on the basis of sample collection, population study, enzymatic assay, carbon pool, metagenomics study at **Central Rice Research Institute (CRRI), ICAR, Cuttack**
- ✚ Attended Workshop at Biotechnotrick labrotories in 2007
- ✚ Post Graduate Diploma in Computer Application (**PGDCA**)

Academic Experience

- ✚ **Working as Lab Associate** at School of Biotech Sciences (TSBS), TACT, Bhubaneswar, (Since September 2017)
- ✚ Worked as Senior Research Fellow at CRRI Cuttack. Carbon pool, enzymatic assay, soil moisture analysis, nitrogen phosphorous and potassium estimation
- ✚ Worked as Senior Research Fellow at Directorate of water Management, BBSR worked in Kendrapara district NICRA Project.

Motivational note:

Great things never come from comfort zones.....
